RULES & REGULATIONS

MEMBERSHIP AGREEMENT & ACCESS: This agreement is non-negotiable, so please review it carefully and contact us with any necessary changes. All membership applications are considered confirmed only when the membership fees are paid in full. The membership fees are non-refundable. A laminated membership card will be issued to each adult Member (≥16 years). Each Member must present their card at the time of admission to the property for member access.

HOURS & DATES OF OPERATION: MORTON'S is open to the general public weekends and holidays only during the months of May and September, then Tuesdays-Sundays during the months of June, July and August. When open, MORTON'S hours are from 10am–6pm (with pools closing at 5pm). Only on weekends and holidays, there are additional Member's Hours from 6–7:30pm (with the pools open from 5:30–7pm).

NOTICE OF SPECIAL CLOSURES: MORTON'S reserves the right to be closed to both the public and to Morton's Members during such times as when a pre-arranged "full day buy-out" or "half day buy-out" of the site is booked by a private party. In the event of a buy-out, MORTON'S guarantees to post a notice of the closure on their website a minimum of seven (7) days prior to the closure date. The only exception to this 7-day notice policy would be in the event of unexpected closures from emergency repairs or safety.

HEALTH & ENVIRONMENTAL PROTECTION: The land, water and wild creatures of MORTON'S are part of a critical and sensitive ecological habitat. As such, we use the minimal amount of chemicals required by state law to treat our natural spring water and keep it clean. In order to protect the health and wellbeing of both humans and our sensitive creek habitat, ALL GUESTS ARE REQUIRED TO FIRST SHOWER PRIOR TO ENTERING THE POOLS OR CREEK. Absolutely no tanning oils are allowed in the pools or creek. We also ask guests to consider full-coverage bathing suits and hats for natural sun protection rather than using heavy sunscreens in our mineral water. Any guest exhibiting disrespectful or destructive behavior to the environment may be asked to vacate the premises.

POOL AREA RULES: For safety reasons, glass is not allowed in the pool area at any time. Running on the pool deck is not permitted, and diving or jumping feet-first into either the family pool or into the shallow end of the diving pool are both prohibited.

CLOSING & CLEAN UP: Please be on time packing up to leave and make sure that you take all of your belongings with you when you go, leaving all areas you use clear of trash. Separate recycling and trash containers are provided, but if you need extra please alert staff. Any site that you or your guests use that is left in a disarray with trash, food scraps, non-extinguished BBQ coals and/or other litter not disposed of properly may be subject to an additional \$50-\$100 site clean-up charge. Also, if you or any of your guests stay onsite for more than thirty (30) minutes after the posted closing time, you may be subject to an additional \$50 late departure charge. Please be respectful and leave on time with the site as good as or better than you found it.

MUSIC & SOUND: Only non-amplified acoustic music may be played outdoors at a level that is considerate of other guests and neighbors. Out of respect to our peaceful country neighborhood, radios, recorded music or public address systems are not allowed without prior consent from MORTON'S.

ALCOHOLIC BEVERAGES: MORTON'S does not have a liquor license. In strict accordance with California Law, our guests must be 21 years or older to consume alcoholic beverages. Any guest is subject at any time to provide photo identification as proof of legal age. Strictly at staff discretion, alcohol will not be served to any person deemed to be intoxicated. Any guest exhibiting intoxicated or belligerent behavior will be asked to vacate the premises. The Sheriff's Department will be called to remove any loud or unruly guests. No alcoholic beverages are allowed in the pool area.

PETS: Dogs are allowed on premises provided that, *at all times*, they: stay on a leash, are with their owners (not left alone tied up or in a car), do not cause a nuisance, and are *immediately* cleaned up after. Dogs are not allowed in the pool areas, excluding certified service dogs, which are allowed as long as they do not disturb other guests.
