This Season Pass Agreement is between the PRIMARY PASSHOLDER CONTACT (PASSHOLDER) named above, and MORTON'S WARM SPRINGS (MORTON'S), and includes any additionally listed PASSHOLDER individuals.

For this Season Pass, MORTON'S offers unlimited seasonal use of the warm pools for recreational swimming and therapeutic soaking, use of any previously unreserved picnic/barbecue areas and general parking to the PASSHOLDER on any day that MORTON'S is open to the public during the summer season, May to September. Full Season Pass payment is due at the submission of this application.

This Agreement is solely for the PASSHOLDER and any additional PASSHOLDER, listed above, and cannot be sold, transferred or otherwise conferred on any other person, related or not, who is not listed above. Extra guests admitted that are not included in your Season Pass will be charged at the per person general admission price or may use a guest pass or other promotional entry pass. In the event that MORTON'S has reached its maximum capacity for the day, PASSHOLDERS and/or guests may not be admitted. MORTON'S will ensure there are always open slots for Season Passholders to book the day before one wants to visit and will do their best to hold open spots for day-of bookings where possible.

## **RULES & REGULATIONS OF RESPECT**

**SEASON PASS AGREEMENT & ACCESS:** This agreement is non-negotiable, so please review it carefully and contact us with any necessary questions or proposed changes. All Season Pass applications are considered confirmed only when the Season Pass fees are paid in full. The Season Pass fees are non-refundable. A laminated Season Pass card may be issued to each adult Passholder (18+ years). Each Passholder must present their card at the time of admission to the property for access.

**SEASON PASS AVAILABILITY:** There are a limited number of Season Passes available each year (due to our limited-sized facilities and commitment to not overcrowding) and once they are sold out, they are sold out. If someone has an annual Season Pass and it is canceled before it auto-renews, it is available to be purchased by someone else.

**AUTO-RENEWALS:** Season passes are valid for one calendar year, starting the date we receive full payment and a completed application and auto-renews by your stored credit card information on that same date the following year. The commitment is annual and the Season Pass is auto-renewed each year with a 45-day notice of renewal. If needed, we request from all Members a 30-day courtesy "cancellation/alteration notice" for any changes.

**HOURS & DATES OF OPERATION:** MORTON'S is open Saturdays and Sundays and holidays only during the months of May and September, then Tuesdays-Sundays during the months of June, July and August. Morton's is always closed on Mondays, unless the Monday falls on a federal holiday. When open, MORTON'S hours are from 10am-6pm (the pools close at 5pm). Please note that "Members Hours" from years past are now called "Sundown Soaks" and "Family Holiday Member Socials" and are now accessed as a perk for individuals who sign up for our Sustainer Circle Membership.

**NOTICE OF SPECIAL CLOSURES:** MORTON'S reserves the right to be closed to both the public and to Morton's Passholders during such times as when a pre-arranged "full day buy-out" or "half day buy-out" of the site is booked by a private party. In the event of a buy-out, MORTON'S guarantees to post a notice of the closure on the Calendar page of their website a minimum of seven (7) days prior to the closure date. The only exception to this 7-day notice policy would be in the event of unexpected closures for emergency repairs or safety.

**YOUTH & SCHOOL GROUPS:** For over 70 years, Morton's has been a place where generations of kids have come to swim, play and connect with nature. Youth camps and school groups getting to come and enjoy our geothermal mineral pools and grounds is one of the ways Morton's serves local communities and maintains a stable income on weekdays during our short summer season. But even with all these wonderful advantages of having larger youth groups and camps visit us, many Morton's guests prefer the quieter, sanctuary experience that Morton's creekside pools and extensive grounds naturally has to offer. If you're wanting to know when youth and school group bookings will be at Morton's so you can plan you or your family's visit around these times, you can check the Calendar page of our website to see the current schedule for all youth group bookings of 20 or more. The site and pools are fully open to the public during all kid's group bookings, we just know that some like to schedule their visits around them!

**HEALTH & ENVIRONMENTAL PROTECTION:** The land, water and wild creatures of MORTON'S are part of a critical and sensitive ecological habitat. As such, we use the minimal amount of chemicals required by county law to treat our natural spring water and keep it clean. In order to protect the health and wellbeing of both humans and our sensitive creek habitat, ALL GUESTS ARE REQUIRED TO FIRST SHOWER PRIOR TO ENTERING THE POOLS OR CREEK. Absolutely no tanning oils are allowed in the pools or creek. We also ask guests to consider full-coverage bathing suits and hats for natural sun protection rather than using sunscreens in our natural mineral water. Any person exhibiting disrespectful or destructive behavior to the environment may be asked to vacate the premises.

**POOL AREA RULES:** For health & safety reasons food, drink (other than water), glassware and pets are prohibited from entering the pool area at any time. Running on the pool deck is not permitted, nor is diving or jumping feet-first into either the family pool or into the shallow end of the diving pool. All infants and toddlers under three (3) years of age are required to wear a swim diaper at all times, regardless of whether or not they are potty-trained.

**CLOSING & CLEAN UP:** Please be on time packing up to leave and make sure that you take all of your belongings with you when you go. Be sure to leave all areas you use clear of trash. Separate recycling and trash containers are provided, but if you need extra, please alert staff. Any site that you or your guests use that is left in a disarray with trash, food scraps, non-extinguished BBQ coals and/or other litter not disposed of properly may be subject to an additional \$50-\$100 site clean-up charge. Also, if you or any of your guests stay onsite for more than thirty (30) minutes after the posted closing time, you may be subject to an additional \$50 late departure charge. Please be respectful and leave on time with the site as good as or better than you found it.

**MUSIC & SOUND:** Only non-amplified acoustic music may be played outdoors at a level that is considerate of other guests and neighbors. Out of respect to our peaceful country neighborhood and other Morton's guests, personal radios, amplified music or public address systems of any size or kind are not allowed.

**ALCOHOLIC BEVERAGES:** MORTON'S does not have a liquor license. In strict accordance with California Law, our guests must be 21 years or older to consume alcoholic beverages. Any guest is subject at any time to provide photo identification as proof of legal age. Strictly at staff discretion, alcohol will not be served to any person deemed to be intoxicated. Any guest exhibiting intoxicated or belligerent behavior will be asked to vacate the premises. The Sheriff's Department will be called to remove any loud or unruly guests. Alcoholic beverages are never allowed in the pool area.

**GAMES:** We provide grassy areas, lawn games and occasionally other recreational areas or equipment for your use. Use of these games are on a first-come, first-serve basis. You or your guests may bring your own equipment, or check out some of ours using a photo ID.

**PETS:** Dogs are allowed on premises provided that they: stay on a leash, are with their owners (not left alone tied up or in a car), do not cause a nuisance or bark repeatedly, and are immediately cleaned up after at all times. Dogs are not allowed in the gated pool areas. Only service dogs are allowed in the gated pool area if they are trained in specific and essential tasks that assist someone with a disability.

**SECURITY:** MORTON'S does not assume responsibility for the damage or loss of any articles. Found items will be held for five (5) days in the lifeguard office. Unclaimed items will be donated or disposed of after five (5) days.

**CANCELLATIONS:** Your Season Pass payment is non-refundable and non-transferable for the calendar year.
